# Our Services

## Ex-Stock Deliveries from Warehouse

- ✓ We are also proud to serve our local customers for their needed chemical requirements thru ex-stock deliveries from our warehouse, served on a day's notice.
- ✓ This is to provide our customers a facility where we deliver chemicals/solvents on their doorstep, eliminating their need to stock inventories and only take their weekly requirements.

## Logistics

- ✓ Logistics being a crucial aspect in today's international trading, we are pleased to serve customers for practically every continent on the globe. Our logistic services are supported by nearly all the major shipping agents based in Bahrain, so that vessel arrangements are scheduled as per our customer's requirements

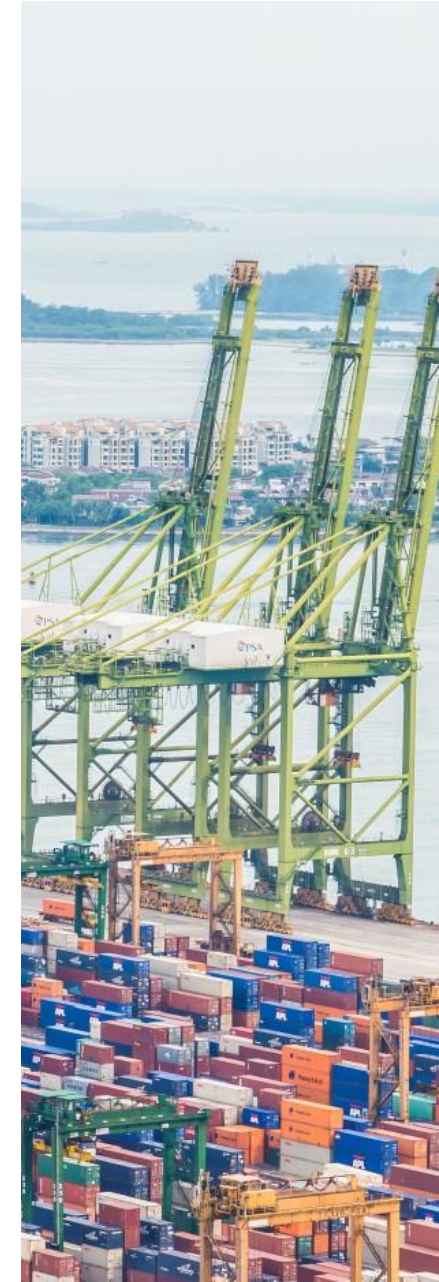

# Our Services

- ✓ Depending on just 1 or 2 shipping agents restricts us to vessels, while engaging all the major shipping agents allows us the freedom to select a vessel as per our customer's cargo requirements.
- ✓ Further engaging major shipping agents in Bahrain also gives us access to our required destinations.
- ✓ For bulk volume shipments, we have on our panel Clarksons Platou of UAE for our charter vessel requirements.

## Re-packing/Drumming

- ✓ To cater to our retail customers, we have a drumming facility in Bahrain, to re-pack liquid chemicals in drums and export it to our customers in different countries; hence our advantage to offer chemicals of Saudi Arabian origin to different regions of the globe.
